2nd Quarter 2009

## It's Back! When They WIN you WIN!

With each West Texas A&M football win, during the 2009 season, Texas Plains Federal will adjust our interest rates on Share Certificates and Loans.

### EXAMPLE:

WT wins on Saturday! Our share rates are adjusted on Tuesday to reflect the current Share Certificate rate with an additional .25% interest. If the rate is 1.75% we will increase the rate to 2.00% for any Share Certificate renewed or opened during the week of the winning game.

### EXAMPLE:

WT wins on Saturday! Our loan rates will be lowered by .25% of the members qualifying loan rate. If the rate is 5.00% we will lower the Loan rate to 4.75% during the week of the winning game.

These are estimated examples and not actual rates. The actual rates increase and decrease during the week of a winning game. If WT loses a game that week rates will not have "winning advantages".

## It's about sharing.
